Mr. Yoram Naor  
Honorary Consul General of Belize  
6 Hamada Street  
Israel

**Dear Mr. Naor,**

It has been a pleasure being a part of the “Emergency Situation Preparedness Course” sponsored by MASHAV and the International Institute of Leadership, Histadrut, Israel. This has been a great experience with a wealth of knowledge obtained in the program collaborated by both the International Institute and, the other 14 participating countries. I am certain that the information learned will be shared not only within our organization but, sensitized within our community.

I must express that the people of Israel has shown great hospitality and kindness in and outside the walls of the Institution. Therefore, it is most fitting to emphasize that the staff of the Institute has nurtured me and had made my time here a home away from home.

It has been a privilege to be here and on behalf of Mayor Darrell Bradley, the Belize City Council and, the City Emergency Management Organization (CEMO), once again, I would like to convey heart felt thanks and gratitude to Government of Israel, the International Institute, and the people of Israel.

**Sincerely,**

Tricia Bradley
